

German Korean Conference

supported by the Alexander von Humboldt Foundation

한국과 독일의 과거청산과 기억문화

Vergangenheitsbewältigung und Erinnerungskultur in Korea und Deutschland

Rectifying Past Wrongs and Remembrance Culture in Korea and Germany

한국과 독일은 국가공권력에 의한 인권탄압으로 수많은 생명을 죽음으로 내몬 어두운 역사를 공유하고 있습니다. 우리는 이 한독 공동 학술회의를 통해 과거청산과 희생자들에 대한 '기억문화'를 이루어야 하는 우리의 공통된 과제를 함께 논의하고자 합니다. Korea and Germany share dark history of human rights violations by the state power that led to numerous cases of wrongful deaths. In this German Korean Conference we want to discuss our common tasks to address the past wrongs and accomplish remembrance culture for the victims.
